

*For pregnant women
and new mothers who
have Medicaid —*

**Ask your
doctor about
health
plans
now!**

Ask your doctor about the health plans, so you can choose a health plan your doctor works with. That way, you can keep seeing the doctor you see now. **If you don't choose a health plan, you may need to change your doctor.**

A health plan is a group of doctors and clinics that work together to offer health services.

South Carolina Healthy Connections Choices can help you choose. We

make it easy! Call 1-877-552-4642 or visit our website at www.SCchoices.com to learn more or to make your choice.
